

## HOME OF S. F. BRUFF BURNS

Damage Caused by Blaze Starting in the Dining Room.

Fire supposed to have started from an electric iron, whose current was by accident left running, heavily damaged the residence at 740 East Ninth street, owned by Mrs. Sibley, of Louisville, and occupied by Samuel F. Bruff and two daughters, Misses Lelia and Cora, and Miss Ella Shadoin. The fire occurred at about six o'clock Friday night. The family was away from home all day and it is not known exactly how it started.

The blaze confined themselves to the dining room but damage from heat and water was felt all over the house. There was about \$500 insurance on the furniture. It is not known whether the house was insured.

## WOMAN HAD NERVOUS TROUBLE

Lydia E. Pinkham's Vegetable Compound Helped Her.

West Danby, N. Y.—"I have had nervous trouble all my life until I took Lydia E. Pinkham's Vegetable Compound for nerves and for female troubles and it straightened me out in good shape. I work nearly all the time, as we live on a farm and I have four girls. I do all my sewing and other work with their help, so it shows that I stand it real well. I took the Compound when my ten year old daughter came and it helped me a lot. I have also had my oldest girl take it and it did her lots of good. I keep it in the house all the time and recommend it."—Mrs. DEWITT SINCEBAUGH, West Danby, N. Y.

Sleeplessness, nervousness, irritability, backache, headaches, dragging sensations, all point to female derangements which may be overcome by Lydia E. Pinkham's Vegetable Compound. This famous remedy, the medicinal ingredients of which are derived from native roots and herbs, has for forty years proved to be a most valuable tonic and invigorator of the female organism. Women everywhere bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound.

## CONFLICTING DATES ADJUSTED

Doctors and Knights of Pythias Both in October.

Another change has been made in the date for the annual meeting here this year of the Kentucky Medical society. Recently the date was changed from September to October 17-18, but since it has been learned that the state grand lodge of the Knights of Pythias had been set for the same dates, President Davis of the Hopkinsville Business Men's Association, who is also vice-chancellor of the grand lodge, communicated with President Heiser of the state medical society, and the latter agreed for the doctors to meet here a week earlier, or Oct. 10-13.

At the meeting of the H. B. M. A., Friday night, President Davis stated that the meeting of the Confederate Veterans wanted to come to Hopkinsville and an invitation was extended for a date to be fixed ahead of the other two meetings.

## FOWLER IS CONFIDENT

That He Will Receive the Republican Nomination for Congress.

Judge W. T. Fowler, Republican candidate for the nomination for congressman from the Second congressional district, has completed a visit to his organization headquarters in all the counties in the district except Henderson, which is the home county of his opponent F. J. Pentecost.

Mr. Fowler said yesterday morning that he was delighted with the reports of his organization leaders and felt no hesitancy in predicting that he would win the nomination. He said that his campaign had been conducted without any sensation, but with telling results.

It is understood from the committee in charge of Mr. Fowler's campaign that the race will be concluded with a big rally in Hopkinsville the latter part of this week. The exact time and speakers have not been announced. The primary election is next Saturday.
